

Memorandum

To: NZX Market Announcement Platform Users
From: NZX Product Operations
Date: Thursday, 15 November 2018
Subject: Market Announcement Platform - Temporary Outage

Message:

NZX advises that this morning it experienced a short issue with the Market Announcement Platform (MAP). This issue has now been resolved.

Announcements were not released for a period of approximately 30 minutes. There was no disruption to trading and no impact on the market.

We are currently undertaking an investigation. On behalf of the team at NZX, we apologise for any inconvenience caused and thank you for your patience.

For all enquiries please contact NZX Product Operations on +64 4 496 2853 or at:
